DONATING TO THE RE-STORE

All donations made to the Sumter Habitat for Humanity **RE-STORE** are tax-deductible. You can make your tax-deductible donations knowing your valuable gift will support Sumter Habitat for Humanity's housing ministry and help a low-income family in Sumter realize the dream of homeownership. For Habitat homeowners, this dream would never become a reality through conventional means. But with Sumter Habitat for Humanity's housing ministry, seemingly impossible dreams are coming true all the time.....one home at a time!

The **RE-STORE** is an ideal outlet for individuals and businesses that are moving or remodeling, as well as for businesses that are closing. The **RE-STORE** is also a beneficial alternative to discarding surplus materials.

Upon receipt of your donation, Sumter Habitat for Humanity will give you an official statement for your future tax purposes.

WE WILL GLADLY COME AND PICK-UP YOUR TAX-DEDUCTIBLE ITEMS YOU WISH TO DONATE FOR RESALE! FOR PICK-UP INFORMATION, CONTACT THE RE-STORE AT 934-9749 TODAY!

Shopping at the RE-STORE

The Sumter Habitat for Humanity RE-STORE provides a unique shopping opportunity for Sumter area residents. Essentially a resale store, the RE-STORE carries donated and surplus building materials such as hardware, lumber, plumbing and light fixtures, paint and windows. Other items commonly found in the RE-STORE are appliances, electronics, furniture, wallpaper, exercise equipment, lawn and garden supplies and children's items.

Items are sold at greatly reduced prices. Also, many items that are discontinued elsewhere can be found at the RE-STORE.

The RE-STORE is the ideal shopping location for homeowners who cannot afford prices at large home supply stores or for anyone who enjoys buying quality merchandise at bargain prices.

Volunteering at the RE-STORE

Without the support of volunteers, the RE-STORE's full operation would not be possible, and Sumter Habitat for Humanity would be lacking a vital component to its housing ministry. In addition to a staff manager, volunteers help the RE-STORE in a variety of capacities.

Volunteers support the RE-STORE by assisting customers, scheduling and picking up donated items, cleaning and displaying merchandise, and cleaning and maintaining the facility. Volunteer commitment varies depending on individuals schedules. While some volunteers work in the RE-STORE several times a week, others volunteer weekly, monthly or on an as-needed basis.

As a RE-STORE volunteer, you meet other volunteers who share your interest in Sumter Habitat for Humanity's housing ministry. You also meet many of the current and prospective homeowners who value the time you give to help them obtain safe, affordable homes.

If you are interested in volunteering in the RE-STORE, call the RE-STORE at 934-9749 or just stop by and visit us at 30 Bridge Court!
